Management and Governance

The college is managed by **Priyadarshini Development Centre (PDC)**, a society formed by a group of enlightened educationists, philanthropists and social entrepreneurs in Kerala. Inspired and guided by the ideals of our great national leaders and the luminous legacy they bequeathed to us, **Priyadarshini Development Centre** believes that while excellence in education is the sine qua non for empowerment of citizens in meeting the challenges of a globalized world, strong moorings in our cherished culture and values are what enrich and sustain the life of the individual society and nation.

Vision & Mission

As an invariably enlightening presence in the sphere of higher education in Kerala our vision is to enable the aspirant student community to seize the opportunities ahead especially in the backdrop of an extremely hectic, swift-changing and competitive global scenario. The institution is all set to meet the requisites of the revised educational policy as envisaged by the ministry of education and the college authorities are avowed to embrace and disseminate a value system that is progressive, apolitical and non conservative founded in secularism and refined sensibility.

Our mission is to facilitates quality oriented learning that mould competent generation which is committed to our nation and society. Our motto is "prepare to live in the changing world" by transmitting an allround development education that includes social, cultural, economic and emotional development.

Campus with a difference

Priyadarshini Arts and Science College started functioning in June 2012 with the avowed objective of providing quality higher education along with career oriented life skills to the aspiring young men and women to equip them for the challenges of future.

Priyadarshini Arts and Science College is a Self financing institution approved by Govt of Kerala and affiliated to the University of Calicut. The campus is located within Malappuram Municipality, at Melmuri 2.5 km off Kozhikkode Palakkad national highway. The campus is spread over 11 acres of verdant land surrounded by virgin woods and hillocks. The sylvan surroundings, serene atmosphere and the salubrious climate are most conducive for the physical and mental growth and well being of the students. The College is envisaged as a center of excellence in higher education in order to provide quality education with special thrust on moral and social values to mould a new generation of socially committed youth ready to work for materializing the dreams of a 'knowledge society'.

The college has a record of consistent performance in curricular and co-curricular activities. The university examination results so far have been quite heartening. The achievement of students in the University Zonal and Interzonal Arts Festivals have been indeed commendable with our team securing the runner up in the 'C' zone Arts Festival 2015.

Highly Qualified and Experienced Faculty

A vibrant and lively students - teacher interaction is imperative for the success of any educational institution. Our faculty is comprised of retired professors, well-experienced NET, M Phil, PhD qualified educators supplemented by guest faculty from industry, profession and service. Together, they bring in a broad spectrum of experience in building in the foundation and presenting knowledge and skills to prepare students for leadership roles.
